

AX Exhibit Proposal

Exhibitions for visual arts and fine craft are scheduled on an ongoing basis, with the jury meeting twice per year to set the exhibition schedule approximately 6 months in advance. AX is happy to receive applications at any time for review at the next deadline.

In choosing exhibitions, AX seeks a balance of established and emerging artists, exhibiting works from our community and beyond. AX is also dedicated to exhibiting children's art and student work created in local-area schools and through our own programming. Exhibitions are selected by a rotating panel of respected artists and art educators knowledgeable in the discipline involved.

Before completing the application, please also read the Artist Agreement.
