

AX Literary Proposal Form

AX, the Arts and Culture Centre of Sussex, is a multi-disciplinary, charitable organization. We present dynamic exhibitions, art and fine craft workshops, and live music concerts and literary readings. Our building is located in the heart of Sussex, New Brunswick, and consists of a licensed restaurant and patio called Knocks Café, a professional gallery, a fully-equipped ceramics centre, and artists' studios.

We host 5-7 literary readings per year in our gallery space, as well as *Choice Cuts*, our regular open mic literary reading night on the first Thursday of each month, at 7pm, hosted by a local author. **AX** also hosts writing workshops – if you'd like to teach at **AX**, you can download the workshop proposal form from our website.

The volunteer proposal review jury meets every few months to evaluate proposals, and we host a variety of literary genres from emerging and experienced authors. We appreciate the time and effort you put into submitting your proposal.

Please email your form to info@axartscentre.ca.

AUTHOR / PUBLISHER INFORMATION
